**RE :** PROJECT LINKAGE of UAP Commission on Education

The United Architects of the Philippines (UAP) Commission on Education through its Committee on Academe - Industry Linkage is launching a Survey with the goal of producing industry-oriented architecture professionals. The following are the specific objectives of this project:

- To help bridge the gap between the academe and the industry of the architecture profession;
- To keep the architecture program abreast to the changing and pressing demands of the industry;
- To be instrumental in upgrading the Architecture Program of the country.

Relative to this, may we request for your participation in this endeavor. The online survey can be accessed here:

<https://docs.google.com/forms/d/1GdZpBjCfqGSEFJ1rVYtLfx2jdzERqOEvk9vW58BhB2g/edit>

Your feedback from this questionnaire will be processed for the Committee to come up with recommendations as we aim to share the result of the study to industry practitioners, to the Commission on Higher Education (CHED) and to all architectural schools in the Philippines for their perusal.

For information, guidance and compliance of all concerned.
