MEMORANDUM CIRCULAR NO. 5, S. 2014

Fiscal Year 2014-2015

24 July 2014

TO : TO ALL UAP CHAPTER PRESIDENTS

THRU : UAP AREA VICE PRESIDENTS AND DISTRICT DIRECTORS

RE : ASSISTANCE TO LGU ON CONCEPTUAL DEVELOPMENTAL PLAN/DESIGN

PURSUANT to our corporate objectives to participate in matters concerning national and regional development of the country and to develop progressive ideas in architecture and environmental concerns as well as their practical application for the welfare of the community, the UAP national leadership encourages our local leaders to coordinate and collaborate with your respective local government units for a Memorandum of Agreement assisting them in producing conceptual master development plan/design or specific area conceptual plan/design.

As envisioned in our corporate thrusts, the partnership endeavors to strengthen our role as prime professional in the built environment and for the LGUs to appreciate the work of architects in the development of Cities and Municipalities that may eventually lead to the implementation of architectural permit and appointment of a city or municipal architect. Further, the partnership elevates the role of the architect in public service, and ventures to build stronger alliances and forge strategies with local leaders in the stewardship of our cities, resources and our environment.

Since we consider this collaboration with utmost urgency, we kindly request our Chapter Presidents to inform our National Office if you have undergone an understanding with your LGUs, before the World Day of Architecture. We will launch the list of all cities and municipalities that will be assisted by chapter during the World Day of Architecture.

Hopefully the MOA/MOU or the submission of conceptual plans/designs to recipient LGUs will be made during the 2014 National Architecture Week.

For the guidance and compliance of all concerned.

AR. MA. BENITA O. REGALA, FUAP
National President
