UNITED ARCHITECTS OF THE PHILIPPINES

The Integrated and Accredited Professional Organization of Architects (IAPOA)

MEMORANDUM CIRCULAR NO.6, S. 2014

Fiscal Year 2014-2015

24 July 2014

TO : TO ALL UAP CHAPTER PRESIDENTS

THRU : UAP AREA VICE PRESIDENTS AND DISTRICT DIRECTORS

RE : UAP CAPABILITY PROFILE

In 2015, the ASEAN Economic Community will transform ASEAN into a region with free movement of trade, investment, skilled labor, capital flows, and services, which include provision of architectural services. This will facilitate the mobility of architects, the exchange of information in order to promote the adoption of best practices on standards of education and professional practice, adjusting to the spirit of ASEAN cooperation based on fair distribution of resources and benefits through collaborative research, and to encourage, facilitate, and establish mutual recognition between the architect and set standards and commitment to technology transfer. Hence, ASEAN provides an excellent platform for member countries to not only exchange ideas and share experiences, but also to formulate and implement projects for capacity building.

Pursuant to our commitment to identify innovative strategies and programs in meeting the challenges of globalization and to support the transition to ASEAN 2015, the current leadership endeavors to create a comprehensive database of Filipino Architects which will feature core competences showcasing their strength, assets, experience and specialization.

The database will also serve as a catalyst to all practicing architects and firms to compete in the global market and become the source of reference for future collaborations between local practitioners and foreign counterparts.

In reference to this, we are encouraging the general membership to participate in the online survey, a project initiated by the Commission on Professional Practice and the Committee on Private Practice. Beginning July 28 through August 28, you can take the survey at home or work by going to <https://www.surveymonkey.com/s/UAP-capabilitystudy>, and signing-in using Username: UAP-CPP, Password: cpp2014, seven days a week, 24 hours a day. It only takes few minutes to complete the easy questions.

UNITED ARCHITECTS OF THE PHILIPPINES
The Integrated and Accredited Professional Organization of Architects (IAPOA)

The list of firms collected in the survey will be used as a capability profile and platform indicating the firm's structure and assets in terms of size, composition, expertise and experience. This will serve as a tool of reference from which a firm's experience, manpower capabilities and expertise will become a basis of selection for local and international clients and developers. This will also enable foreign counterparts and potential clients to easily access architects information, thereby increasing our competitiveness in the global arena.

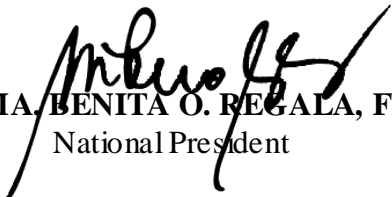

Should you have any queries or require any further information about this project, kindly contact the following:

Ar. Consuelo C. Buencamino, uap
Executive Director
Commission on Professional Practice
Email Address: cbuen888@gmail.com

Ar. Francisco C. Noel, uap
Chairman
Committee on Private Practice
Email Address: jfnoel2003@yahoo.com

Your cooperation is vital to the success of the said project. Let us work together to be part of this activity to support the Filipino Architect to rise in the challenges ahead.

For the guidance and compliance of all concerned.

AR. MA. BENITA O. REGALA, FUAP
National President

By the President:

AR. ALFRED GEOFFREY C. CARANDANG, UAP
Secretary General
